

**FOR YOUR INFORMATION** by Mayor Julia Mosley  
Call 301-773-7891 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.

The Mayor has been away but would like to wish everyone a Happy & Safe Holiday. Her FYI will be back next month.

### **HOLIDAY HOUSE DECORATING CONTEST**

The holiday spirit in Cheverly is something to boast about. We are very fortunate to have many families who decorate their homes, giving the town a colorful flow of lights and holiday cheer. Every year the Mayor and council sponsor a decorating contest to recognize the efforts of our residents.

The judging will be Dec. 18th from 7-9 PM

**YOUR HOUSE NUMBER MUST BE  
VISIBLE FROM THE CURB.**

The judges pick the TOP 20  
**BEST IN TOWN**

All winners will be announced at the January Town Meeting and receive a certificate.

## **HAPPY HOLIDAYS!**

**December 25th and January 1st**

**TOWN OFFICES CLOSED  
NO TRASH PICKUP**

### **HOLIDAY GIFTS FOR EMPLOYEES**

In the past, some residents have expressed their appreciation to the Public Works employees for their service by giving them various gifts during the holidays (sometimes alcohol). Town policy prohibits employees from accepting and transporting alcoholic beverages. Residents are asked to send any holiday gifts for employees to the Town Office to be divided equally among the workers. Thank you and Happy Holidays.

### **CHEVERLY RECREATION COUNCIL**

There is no meeting in December, the next meeting is January 27, 2009. The Recreation council wishes everyone very Happy Holidays.

**Message from the Chief** Buddy Robshaw  
(policechief@cheverly-md.gov)

**“Cheverly Watch” Program** – The Department has begun issuing portable radios to program participants and more than half of the roster of volunteers is now operational. In the short time that the program has been running, volunteers have been responsible for the recovery of two stolen autos, the arrest of a suspicious person with an open warrant, the identification of a suspect vehicle in a number of local crimes, and the gathering of critical intelligence in reference to several open criminal cases in the Town. In addition, program participants are regularly given a wide range of lookouts and other crime prevention information. Readers will be updated monthly on the progress of this program.

**RECENT RESIDENTIAL B&E’s** – As you may be aware, there has been a rash of residential B&E’s lately. The typical method of entry in through a rear door (kicked open) and the majority of the property stolen has been computer equipment. While the Department is actively investigating these crimes, please remember to record the make, model, and serial numbers on all such equipment you store in your residence. In addition, please take advantage of the free home inspections provided by Departmental personnel during both day and evening hours.

**COUNTY CRIME INDEX TRENDS** – The latest crime trends in Prince George’s County (January – June 2008) show that crime is up approximately 1.9%, with small increases shown in the categories of rape, assault, B&E, and theft. The good news is that there were decreases in the categories of murders, robberies, and vehicle theft. State-wide, murder, rape, robbery and motor vehicle theft are down although total crime is up approximately 3%.

**VEHICLE DONATIONS** - Thanks to several residents generous donations of their used vehicles, the Department was recently able to upgrade five (5) more of our issued duty weapons to newer models with improved sights. Contributions such as these have also enabled us to purchase new Tasers, in-car computers, “The Club,” and new or updated safety equipment (sirens, lights, etc.) for Departmental vehicles.

**DUI ENFORCEMENT** – The Department has recently received grant monies for the State Highway Administration to operate DUI enforcement checkpoints at various locations in Cheverly through the holiday season. Do not drink and drive in Cheverly or you will be arrested and charged with DUI.

**TRAFFIC COMPLAINTS** – Residents who Email their traffic complaints, i.e., speeding, stop sign violations, parking complaints, etc., get put onto a list right away and service is usually directed toward these problems within a week. My Email address is [policechief@cheverly-md.gov](mailto:policechief@cheverly-md.gov). This same address can be used to notify me about issues in your neighborhood that need police attention. In lieu of an email, please feel free to contact me at (301) 341-1055.

**CRIME MAPPING** – The Cheverly Police Department, through a grant administered by the Maryland State Police, has recently begun a crime mapping program. Any resident interested in how crime is mapped in the Town is directed to go to CrimeReports.com, click on the State of Maryland, and then highlight the “Cheverly” icon. You can zoom in and out to see how Cheverly compares with other local jurisdictions or see what is happening on your individual street.

# Recycling Saves Money

There are many valuable reasons that ought to encourage everyone to recycle. Almost all have heard one or all of the reasons why recycling is important. When confronted with the facts most agree that recycling is one thing that can easily be done by everyone to help our world.

**Here are a number of extremely compelling reasons for recycling:** Saves natural resources, saves energy, saves clean air and water, saves landfill space, recycling 1 ton of paper saves 17 trees, 2 barrels of oil (enough to run the average car for 1,260 miles, slow the build up of greenhouse gases and recycling could account for over one million jobs in manufacturing in the U.S. (There are many more....Google them...)

**Recycling is profitable also since recycling does not cost a penny to the residents of the Town of Cheverly.** Except for the cost associated with manpower and fuel the **recycling is free** and it **saves money**. The recycling "saved money" stays in the Town helping the Mayor and Town Council earmark it for infrastructure reconstruction and repairs, trees, building and park maintenance, police protection also delaying the needs for revenue enhancements.

Recently Public Works set out to sample the amount of recyclables found on a randomly selected refuse container.

Cheverly residents receive two collections per week with the collection of recyclables in between the two refuse collections. The sample container was selected from a Thursday refuse collection, after the Wednesday collection of recyclables.

Sad to say but ten to fifteen pounds of recyclables came out of the selected container; the day after the Town's crews had gone town wide collecting mix recyclables. This randomly selected refuse container appears to be the exception and not the norm yet it is a reason for concern.

**Hypothetically speaking,** consider the monetary implications of the cost associated with the disposal of ten pounds of recyclables at the landfill, if every refuse container had ten pounds of recyclables on the second day of two collections per week.

10 pounds of recyclables X 1800 houses = 18000 pounds / one ton (2000 pounds) = 9 tons of refuse X \$49.00 disposal fee = \$441.00 per collection X 2 collections per week = \$882.00 per week X 52 weeks of collections = **\$45,864.00** Buried in the landfill benefitting no one.

**Can you see the savings?** Recycling is profitable, saves the planet, produces jobs and saves the financial resources of the Town.

**Help the planet, help the Town, help yourself, save some money and remember... Recycle On Wednesdays. R.O.W.**

## Marvaco Concrete Batching Plant (Special Exception 4502)

**By Council member Mike Callahan**

The Prince George's County Council voted on November 17<sup>th</sup> to approve Special Exception 4502, which allows a Concrete Batching plant to be built on Sheriff Road. This action allows for the relocation of the Batching Plant that currently exists next to the new Nationals Park in Washington, D.C. The property in question abuts Old Ward 4, Boyd Park, and is within  $\frac{3}{4}$  of a mile of the Cheverly Metro Station.

The Mayor and Town Council have been in continuous opposition to the building of this plant, because of the potential health, pollution and traffic hazards it may bring to the area. The Town Council also feels a Concrete Batching is the wrong type of development to entice development of the Cheverly Metro area.

The Town Council has worked closely with residents of Cedar Heights, Fairmont Heights, the Ward 4 Civic Association and Progressive Cheverly to oppose this special exception and to bring focus to the existing conditions along Sheriff Road. Councilwoman Harrison in her motion to approve acknowledged these concerns by outlining actions she plans to take to address the blighted area. The Town Council will reach out to assist Councilwoman Harrison to help with these actions, and monitor closely to ensure these actions are taken. Simultaneously, the Town Council will support an appeal that the University of Maryland's Environmental Law Clinic filing on behalf of Cedar Heights and Charles Gallion. The opposition owes a debt of thanks to Jane Barrett, the Director of the Law Clinic for her leadership in this case and of course to Charles Gallion who has been leading the opposition for 2 years.

### **CHEVERLY COVERLETS —\$30.00**

100% cotton, 2½ layers, measures approx. 48"x68". The design captures the history and spirit of Cheverly with the depiction of various sites throughout town.

**MAKES A GREAT GIFT FOR THE HOLIDAYS!!!**

## **LEAF COLLECTION PROCEDURES:**

**Vacuum Leaves:** Every street is scheduled for a least 2 vacuuming sweeps.

**Rake leaves only the day before your street pickup.**

- Rake leaves between the curb and sidewalk - not on the sidewalk or in the street.
- Keep leaves free of branches, metal, concrete and other debris, that can jam or damage the equipment, causing expensive repairs and delays.
- Please do not park cars on the street on the assigned collection day.

**If you have any questions,  
call Public Works  
at 301-773-2666.**
